TO WHOM IT MAY CONCERN

Dear

We write to confirm that Harringtons Plc have traded with the Avolon Group for the past 3 years.

Avolon Group fully understand how our business operates, a meeting was held at our offices before any operative was provided to us. This was suggested by Avolon so they could understand the service expected of them.

Not only have Avolon provided site personnel we use them for any permanent vacancies we have at Harringtons Plc.

Communication is vital in this industry, we are kept up to speed with any labour requirements we have asked Avolon to supply.

Due to the success over the last 3 years, Avolon Group are our preferred supplier for all labour requirements across Harringtons Plc.

We have no hesitation in recommending Avolon Group to any business across the Construction Industry.

Yours sincerely ,

Tony Harrington
